RE: Building F Partial Closure Plan  
Hydrocarbon Recyclers Inc, d/b/a USPCI (HRI)  
Wichita, Kansas  
EPA I.D. Number: KSD007246846

Dear Mr. Apple:

This letter is to inform you that the Kansas Department of Health and Environment (KDHE) did not receive any comments during the October 30, 1991 through November 28, 1991, the public comment period for the Building F partial closure plan. We are hereby granting HRI approval to proceed with implementation of closure activities. We find the background soil samples submitted on December 6, 1991 for use as closure soil performance standard to be acceptable.

If you have any questions regarding this letter, please contact me at (913) 296-1612.

Sincerely,

A handwritten signature in cursive script, reading "Siew P. Kour".
